

SABOSOFT-RP

INCI Name: ORYZA SATIVA (RICE) STARCH

CAS Number: 9005-25-8

Appearance 20°C: Smooth fine white powder

Gel structure: Soft and creamy

Size μm : 2-8

General Information

Sabosoft-RP is very unique special bridge between Asian and Italian culture.

From the past, in Asian countries, porcelain-white skin was perceived as a symbol of elegance and refinement and rice was used to make their skin fairer. On the other hand, in Italy it is still used as an important ingredient in food culture.

Sabosoft-RP is a special grade or rice starch for cosmetics application from Italian source. A pure, odorless and 100% natural alternative to talcum powder.

- Multi-functional ingredient
- Natural matt effect
- Long lasting moisturizing properties on the skin
- Film forming
- Absorb oils
- Velvety feel without any whiteness

Properties

- Hydrates and nourishes skin and hair
- Softens and whitens skin
- Relieves inflammation and skin diseases
- Tightens, improves elasticity, protects
- Doesn't clog the pores, allowing your skin to breathe properly
- Makes hair soft, shiny and vibrant
- Cleansing and moisturizing activity
- Gel structures at 80°C

Applications

- All Personal care applications for baby and adult
